Class History

It has been a tough and rugged struggle, but we now have the privilege of saying, "We're Seniors!" We now are the ones whom the "green frosh" look up to and try to imitate. Aside from the hours of study and work, there are many memories of the fun and good times which we Seniors have enjoyed in our four year stay in high school.

Starry eyed and blushing as green frosh, we meekly elected our class officers. Jack Phelps as President, Pat Kelly as Vice-President and Janet Freeman as Secretary-Treasurer led us through our first year. Of course, before the year was over, several of the girls were no longer shy and bashful, for they were keeping steady company with Senior boys.

Then we were Sophomores and Marge Rippel took over duties as class President, with Marilyn Wallace assisting as Vice-President and Bonnie Hurst as Secretary-Treasurer, taking care of our paper work.

Gaining self-confidence, we now roamed about Lincoln High with assurance. By this time we felt that we were quite grown up and wise to almost all of the teachers' tricks. As the year rolled by, we began to look forward to the fun and responsibilities of the coming year.

There was an extra amount of excitement this year because as Juniors, we entered the new Washington building. We began immediately to start work and raise lots of money for the banquet. It was hard work, but I'm sure all of us will never forget all the fun we had selling. Our efforts were well worth it because our banquet was a great success. The nights we spent decorating with our Paris theme were unforgetable, especially those wobbly ladders. Our officers were Swede Cantonwine, President; Eddie Whitehead, Vice-President and Joe Woodford, Secretary-Treasurer.

Our last year was a conclusion to four years of much work and fun. We went to everything possible because we realized that it was our last chance. The fellows were a bit sad after playing their last ball games and the gals felt the same after attending the last games. We realized as the year went by that we were either to choose our work for the future or pick the college of our choice. Our officers were Keith Winsor, Presiding; Charles Spicher, Vice-President and Richard Williams, Secretary-Treasurer.

We will always carry with us the memory of happy times when we were students of Washington High.

Coach Reed with 10 returning lettermen opened the season at Belle Plaine September 10. The game showed that what we lacked in size and speed we made up in spirit and determination. Probably the highlight of the season was the touchback made by Carlton Root against Monticello when the score stood 6-6.

Laird Spaulding and Marvin Hite were chosen Co-Captains for the season and represented the team at the homecoming ceremonies.

Varsity Basketball

Another Vinton basketball season brought the curtain down on a touch and go team. The won-lost record of 5 and 13 certainly isn't impressive, but this group of young men contributed a great deal to the Vinton High School picture, with displays of courage, sportsmanship and character. As the squad was predominantly a Junior one, our 1955-56 future looks much brighter, but we will miss our Senior members when the call comes next fall for basketball practice.

Freshman-Sophomore Basketball

Freshman-Sophomore Basketball coached by John Reed, had a successful season with six wins and eleven losses. They copped a berth of fifth place in the conference for the 1954-1955 season. The team did not have much height but made that up with their scoring. The boys had good spirit, which provided the fans with thrills in several close games. The team was composed mostly of Freshmen. There were only three Sophomore lettermen back, Von Elbert, Mike Baker, Chuck Radcliffe. The team had good bench strength which proved to be valuable in many games.

Purple and Gold

The Purple and Gold, our school newspaper, has been very successful this year. The new system of circulation, where yearly subscriptions were sold and each subscriber received his copy from his eighth period classroom or study hall, has worked very well.

Some of the outstanding issues of the year were the Thanksgiving issue and the Christmas issue as well as special editions which were printed at Homecoming and for the dedication of the new building.

Sponsor for the P and G are Mrs. Osberg, Production and Mrs. Shew, Editing. Heading the staff were Sheila Wright, Editor and Mary Lou Gott, Production Manager.

The Library Club is a group of girls who serve as student librarians. Probably the busiest person of the group is the chief librarian who takes care of new and old magazines and keeps the book shelves tidy. At their meetings they plan the best library procedures and discuss problems which have arisen since their last meeting. Several times during the year they have parties and get-togethers--just for fun. Usually the final meeting of the year is a trip to a college or university where a conductor explains the working of a great library. This trip ends with a picnic at a nearby city park. Sponsor of the group is Miss Knipfer. Officers are Barbara Bower, President; Marilyn Pollock, Vice-President; Pat Kelly, Secretary and Treasurer; Mary Ellen Primmer, Chief Librarian.

Only students who are prominent in the fields of scholarship, leadership, and service to their school, and only those who demonstrate excellent character traits are eligible for membership. Election to the National Honor Society is, therefore, without doubt, one of the highest honors which can come to a high school student.

About twenty people work at the various tasks, striving to meet deadlines. By March 1 most of the material is in the hands of the publisher and nothing more need be done until May. Miss Knipfer is the sponsor of the group.

Ham Actors

The Ham Actors are interested in the theatre and sociability. It is to this group that the first call is made for stage crews, players, and assistants for the high school plays. In addition to sponsoring the plays, the Ham Actors have a number of parties throughout the year and whenever possible, attend plays out of town.

The Ham Actors this year have entertained the WaMac Conference Dramatic Festival on February 19, 1955. A play sponsored by this group was entered in the Iowa Play Production Festival at Iowa City, held in March, 1955.
